Beautist volume shampoo - 300 ml. Vegansk formular - 93% naturlige ingredienser

Volumengivende shampoo Med økologisk ris fra Camargue, designet til fint hår og hår, der mangler volumen, garanterer denne sulfatfri shampoo en blid rensning for et "bouncy", smidigt hår/flot krølleffekt. Takket være deres naturlige evne til at holde på fugten samt deres naturlige affinitet med hårets keratin, er risproteiner kendt for deres volumengivende og filmogene (hydrerende film) egenskaber, som gør håret lettere at style.

BEAUTIST**Volumizing shampoo**

With Organic Rice from Camargue

Designed for fine hair and hair that lacks volume, this sulfate-free shampoo guarantees gentle cleansing for bouncy, supple hair. Thanks to their natural capacity to retain moisture as well as their natural affinity with the hair's keratin, Rice Proteins are known for their volumizing and filmogenic (hydrating film) properties which make hair easier to style.
